

How You Can Help

VOLUNTEER at the Second Chance Resale Store.

The Resale Store is run mostly by volunteers. You can work in the store or in the sorting area. Store hours are Monday through Friday, 10:00 a.m. - 6:00 p.m. and 10:00 a.m. - 2:00 p.m. on Saturdays. Call 260-316-3435 to volunteer.

BUY a semi-load of food.

Maybe several organizations could combine efforts to do this. Contact Norm Fuller at norm@fairview-missionary.org or 665-8402 for how to do this.

Who We Are

Project Help is a Christian organization dedicated to helping the under-resourced of Steuben County, Indiana. Our ministry was started by the Steuben County Ministerial Association in 1989 to have one place to meet the needs of lower income families in our community.

Whom We Serve

Project Help serves approximately 2,000 Steuben County families annually with short term needs and referrals to other social service agencies. Our families meet federal low-income requirements.

Why We Serve

We serve because we want to help others over hardships in life. To carry one another's burdens is part of our mission.

We provide basic needs, support, resources and referrals to allow people in need an opportunity to improve their situation and gain confidence to lead toward self sufficiency.

How We Serve

1. Monthly supplemental food for low-income families.
2. Distribution Center for clothing, household items, furniture, bedding, and appliances.
3. Resource for information and referrals.
4. Second Chance Resale Store where most clothing items are sold for \$2 each, helping families that want to pay something but can't afford department store prices.

Special Programs

- ♦ **“Back to School with Supplies”**
School supplies are offered to low-income children and their families.
- ♦ **Thanksgiving, Christmas, and Easter Dinner Baskets**
Holiday food baskets are given to registered families.
- ♦ **Christmas Assistance**
In collaboration with Toys for Tots and Cops for Kids, gifts are provided to registered children who wouldn't have a Christmas without help.
- ♦ **Diabetes Association**
In partnership with the Diabetes Association, financial assistance for diabetic supplies, medication, and testing is available.
- ♦ **Salvation Army**
Project Help is the distribution location for Salvation Army funds.

How You Can Help

We are in dire need of volunteers to work in the office, kitchen, and resale store. We also need help with grant writing and increasing participation with the school supply program and holiday basket program.

Monetary donations are effective since Project Help can purchase food through Community Harvest Food Bank for approximately 19 cents per pound. Where else can you buy five times more with your dollar? In addition, donations of cleaning supplies, toilet paper, paper towels, and personal hygiene items are always an urgent need since these are basic supplies that cannot be purchased with food stamps. Basically anything you use in your home is what our families need new or gently used!

Shop

You can also help by shopping at the Second Chance Resale Store. Money received through the sale of good quality clothing goes to help fund the mission of Project Help.
