Angola**

**Phone: 260-665-9697**

### **Where do you get the clothing sold at the resale store?**

Clothing is donated to Project Help.

### **Who can shop at the store?**

Everyone is welcome to shop at the Second Chance Resale Store. You do not need to be a client of Project Help to shop. We welcome everyone. Bring the whole family and the neighborhood too, knowing that while you save money shopping, you help the community. Return often as new items are put out daily.

### **What does Project Help do with the money received through the resale store?**

The goal for the store is to cover Project Help's mortgage payment and utilities. By covering these expenses, all other funds given to Project Help can be used for food, toiletries, medicine, paper products, and direct aid to the under-resourced.

### **Is the clothing good quality?**

Yes. We put name brand, clean and in-style clothing, furniture, and household items into the store.

### **How much do things in the resale store cost?**

Most clothing items are \$2.00 each piece — blue jeans, dress shirts, etc, all \$2.00 each. Furniture, appliances, and household items are priced at resale cost.

### **Is there more than just clothing in the store?**

Yes. There is furniture, household items, toys, books, etc. as they are available but mostly it is clothing.

### **What sizes of clothing are in the store?**

All sizes from infant to 5XL. We have something for everyone.

### **Who runs the store?**

We have a part time employee as store manager and volunteers work in the store. There are volunteers who sort the clothing and stock the store. Call Pat at 665-9697 to volunteer.

### **What forms of payment do you accept?**

Purchases may be made in cash or by check. We do not accept credit cards or debit cards.

### **If I donate clothing may I take clothing in trade?**

Sorry, we are not able to trade clothing but any client can register for services. Please speak with a Project Help staff person if you have needs.

### **May I return items I have purchased?**

Sorry, all sales are final. No returns will be allowed.

### **Are fitting rooms available so I can try on clothing?**

Yes, there are fitting rooms available for your use.

### **May I put something in layaway or put a hold on it?**

Only furniture may be held and only for up to 24 hours. No holds on clothing or other items.

### **What are the store hours?**

The store is open Monday through Friday, 10:00 a.m. until 6:00 p.m. and on Saturdays, 10:00 a.m. until 2:00 p.m. Closed Sunday.
