Second Chance Resale Store

Monday - Friday, 10 a.m. - 6:00 p.m.

Saturday, 10 a.m. - 2 p.m.

**How to
Increase
Your
Giving
to
Project
Help
5 times**

Project Help can buy food through Community Harvest Food Bank and other sources.

This food can be purchased for about 19 cents per pound, so the one pound jar of peanut butter you purchase for a dollar and donate to Project HELP could be purchased for 19 cents by Project HELP at the Community Harvest Food Bank in Fort Wayne.

One dollar given to Project HELP will buy more than five times the food the same dollar could buy at the grocery store to be donated to Project HELP.

The next time your organization is considering a food drive for Project HELP, why not consider a **One Dollar Offering** where everyone donates one dollar. Or, you could even challenge your group to give all the one dollar bills they have in their wallet or purse that day.

Volunteers Always Needed

Another way to increase your giving to Project Help is to volunteer. We are always in need of volunteers. You can volunteer one hour a week, one morning (or afternoon) a week, one day a week, etc. You can have a set schedule (which is best for us) or you can just show up when you are available. You can volunteer in the Second Chance Resale Store (requires set hours), in our food pantry, in receiving and sorting or in the furniture store. There is no limit to what you can do. Please call Project Help at 665-9697 to get started on increasing your giving.

**Project Help
will gladly pass on
any food donated.**

**Thank You for
your support
and generosity.**
