#### **About Project Help**

Project Help was founded in 1989 by the Steuben County Ministerial Association with the goal of helping churches  
1) avoid duplication of ministry to the under-resourced of our county, and  
2) to better meet the needs of the under-resourced by having one place to send people needing help for various needs.

## Township Trustees

### 1. Your Family and Friends

Ask your parents, brothers, sisters, aunts, uncles, and grandparents to help you. They know your needs best. Also, friends, co-workers, and neighbors could be great resources.

### 2. Bright Point of Northeast Indiana

Bright Point (formerly CANI) is the second line of help for Steuben County residents. Bring proof of income and your utility / housing bills. Bright Point is open Tuesday through Thursday 8:00 a.m. - 5:00 p.m. Call 260-423-3546 for information or to make an appointment. They are located at 1208 S Wayne St. in Angola. After family, you must make Bright Point your first source of help for utility bills in Steuben County.

### 3 Your Township Trustee

Your Township Trustee should be your next source of help. Please do not call your Trustee until you have been in touch with CANI. You will need to know what township you live in so you know who to contact.

Township Trustees (from the Steuben County website: [www.co.steuben.in.us/departments/assessors/assessors.aspx](http://www.co.steuben.in.us/departments/assessors/assessors.aspx)) are listed in the next column with their contact information.
